Long Description

A nice big one near the yellow and blue trails. Please be aware of your surroundings as you get close, there are hazards for the unaware, but if you're paying attention you're in good shape.

At hiding this one has some pretty good swag in it, largely courtesy of the property owner. Let me know if it starts to get lame and I'll restock.

Placed with the permission of Holmes Camp & Retreat Center. Please be respectful of the property. Trail map can be found [here](#).
